

DRAFT AMENDMENT OF REGULATION 18, FOOD REGULATIONS 1985

Proposed Amendment to Subregulation 18 (7)

No label which describes any food shall include the word “organic”, “biological”, “ecological”, “biodynamic” or any other words of the same significance unless the food conforms to the requirements specified in the Malaysian Standard MS 1529: The Production, Processing, Labelling and Marketing of Plant-Based Organically Produced Food **or other requirements established by the relevant authorities or organisation recognised by Food Safety and Quality Division, Ministry of Health in respect of that foods.**
