

Revised Draft Article 2 on Regulations on Fluorine Level

Labeling for Prepackaged Food Grade Salt Products

Article 2

The name, reminder and nutrition labeling of prepackaged food grade salt products that add Potassium Fluoride or Sodium Fluoride shall be handled in accordance with the following provisions:

1. Products name shall be as follows: “Fluoridated salt”, “contains Fluoridated salt”, or “adds Fluoridated salt”.
2. A reminder shall be labeled on the prepackaged food grade salt with Potassium Fluoride or Sodium Fluoride added as follows:
 - (1) “If fluoride tablet is taken while consuming fluoridated salt, please consult your dentist before use.” and
 - (2) “The fluoridated salt shall be restricted to use at home and school meals.”
3. The nutrition labeling shall be handled in accordance with “Regulations on Nutrition Labeling for Prepackaged Food Products”, and the content of Fluorine shall be stated clearly in the nutrition labeling format.
