

Annex

Name of feed additive	Identification number	Name of authorisation holder (if applicable)	Target species	Additive category and functional group
Manganese chelate of lysine and glutamic acid FSA ref: RP15	3b509		All animal species	Nutritional additives Compounds of trace elements
<i>Lactobacillus buchneri</i> DSM 29026 FSA ref:RP27	1k20759		All animal species	Technological additives Silage additives
Serine protease EC 3.4.21.- produced by <i>Bacillus licheniformis</i> DSM 19670 FSA ref: RP65	4a13	DSM Nutritional Products Ltd in Switzerland	Chickens for fattening	Zootechnical additives Digestibility enhancers
<i>Bacillus licheniformis</i> DSM 28710 FSA ref: RP161	4b1828	Huvepharma NV	Laying hens, minor poultry species for laying, poultry species for breeding and ornamental birds	Zootechnical additives Gut flora stabilisers
6-phytase produced by <i>Komagataella phaffii</i> DSM 32854 FSA ref: RP808	4a32	Huvempharma EOOD	All poultry species, ornamental birds, piglets, pigs for fattening, sows, and minor porcine species for fattening or reproduction	Zootechnical additives Digestibility enhancers
Pyridoxine hydrochloride (vitamin B ₆) FSA ref: RP96	3a831		All animal species	Nutritional additives Vitamins, pro-vitamins and chemically well-defined substances having similar effect.
<i>Saccharomyces cerevisiae</i> CNCM I-4407 FSA ref: RP130	4b1702	S.I.Lesaffre	Calves for rearing	Zootechnical additives Gut flora stabilisers
<i>Clostridium butyricum</i> FERM BP-2789 FSA ref: RP664	4b1830	Miyarisan Pharmaceutical Co. Ltd.	Chickens for fattening, chickens reared for laying, turkeys for fattening, turkeys reared for breeding, minor avian species	Zootechnical additives Gut flora stabilisers

			(excluding laying birds), piglets and piglets of minor porcine species	
<i>Bacillus velezensis</i> ATCC PTA-6737 (formerly <i>Bacillus subtilis</i> ATCC PTA-6737) FSA ref: RP131	4b1823	Kemin Europa N.V	Chickens for fattening, chickens reared for laying, minor poultry (except for laying), ornamental, sporting and game birds	Zootechnical additives Gut flora stabilisers
Decoquinate (Deccox®) FSA ref: RP1030	51756i	Zoetis Belgium SA	Chickens for fattening	Coccidiostats and Histomonostats
Decoquinate (Avi-Deccox®) FSA ref: RP419	51756ii	Zoetis Belgium SA	Chickens for fattening	Coccidiostats and Histomonostats
